

**Name:** John Elsinger

**Why do I go to Mass?**

To be able to freely and openly worship the three people of the Holy Trinity...God the Father, Jesus Christ the Son and the Holy Spirit.

**Why am I Catholic?**

I was taught as a child by my parent's example to believe in God the Father and the Holy Trinity. I was active in the church as an altar boy until age thirteen. I was also baptized, had first communion and confirmed as a boy in the Catholic faith.

**What do I like about St. Margaret Mary's?**

First, they welcome you back after you have drifted away from God. Second, they encourage you to increase and strengthen your faith by plugging you into your church body, which helps you to realize how important a member of God's family you truly are. They do all of this with open arms, a smile on their faces and warmth in their hearts. There is no family like God's family.
